

To our customers and family:

Here at Dave's Coffee Cake, we consider all our customers family. With the heightened risk of spreading illness this season, we have been focused for the past weeks, as have you, on keeping our family safe and healthy!

First, we would like to take a moment to thank you for being a loyal customer and a member of the Dave's Coffee Cake Family! We are proud to be here for our customers and communities, and we would not be able to do what we do without you! For this reason, I wanted to personally reach out to each of our customers regarding the current health situation!

While we continue to monitor the situation, we have implemented and continue to enforce our plan to protect our family and customers! The safety of our customers and staff is of the utmost priority!

*In our Bakery:*

- We continue to enforce our standard cleaning practices and policies! Our goal – always – is to ensure a clean, safe, and sanitary environment!
- We are cleaning all stations and surfaces, including restrooms and cooking surfaces, more frequently!
- Our staff is kept aware of the situation and are following the best practices for safe food handling – as always! We provide our staff with up-to-date information and encourage them to closely monitor their health and well-being.
- As always, we ask that all staff and family stay home if they, or a member of their household, are sick!
- Our staff at events is equipped with gloves, sanitizer, and a handwashing station – as required by health guidelines.

*For our customers:*

- We encourage you to follow guidelines and suggestions presented by the CDC to limit the spread of contagions. We recommend that you, too, practice safe food handling and use clear sanitizing and cleaning processes in your home!

Thank you for your continued support and trust! As our customers and family, your health and well-being are our highest priority!

Sincerely,

David R. Barajas, Sr
